

In Ten Days LOCAL SERVICEMEN'S CLUB TO OPEN DOORS

Committee Reports On Contributions

Within ten days the Daly City Servicemen's club will open, according to Mrs. Anne Eason, Mrs. Maisie Boyle, and Mrs. Margaret Steele, committee in charge of the center. Located at 6201 Mission street, the club will have the advantages of convenient location, pleasant furnishings, and adequate facilities.

At the suggestion of officers in charge of the nearby camps, hours will be from 6 to 11 p. m. nightly, including Sunday. A piano, juke box, victrola, card games, radio, and reading and writing materials will make the club a pleasant spot for the boys to frequent.

Donations of cash and furnishings have been coming in in fine manner, the committee reports, but more contributions, especially of cash, are sought. Groups and individuals giving money to date include General Pershing P. T. A., Crocker P. T. A., Jefferson Union High School P. T. A., Hillcrest Circle No. 143, U. A. O. D.; Cypress Circle No. 14, U. A. O. D.; Colma Vista Grande Aerie No. 1848, F. O. E.; Mrs. Victorine Lombard, and Hilltop Lodge.

Those desiring to help the center are asked to call the committee at RAndolph 5376, DElaware 4521, or DElaware 9867.

Rent and utilities have been underwritten by the city council. Official action was taken at the Monday, May 10, meeting.

School Elections Set For Tomorrow

Two school elections will be held in Daly City, tomorrow, May 21, with one trustee to be selected for the Jefferson Elementary School district, and two for the Jefferson Union High School district.

In the grammar school election, polls will be open from 6 a. m. to 7 p. m. at Crocker, Woodrow Wilson elementary, and Jefferson grammar schools.

The election of high school trustees will find polling places open at the following locations: Rockaway Beach school, 2 to 6 p. m.; Sharp Park school, 2 to 7 p. m.; Jefferson grammar, Woodrow Wilson elementary, and Crocker schools between 6 a. m. and 7 p. m.; Bayshore school, 1 to 7 p. m.; Brisbane school, noon to 7 p. m. The two high school trustees will be chosen for a three-year period.

Commissioner George R. Reilly, member of the State Board of Equalization, for the district including Daly City, has cautioned all beverage dealers that school elections will be held, tomorrow, May 21.

He warned those off-sale and on-sale establishments against the sale of any alcohol beverage during hours the polls are open.

Taxpayers' Association Makes Report On Costs Per Pupil In Jefferson High

Current costs per pupil in the Jefferson Union High School district averaged \$165.97 per pupil for each of the 689 pupils in average daily attendance in 1941-42, study of expenditures for current purposes in the larger high school districts in California, made public today by California Taxpayers' association, shows.

The total current expenditure per pupil of the district was twenty-seventh from the highest for districts with from 501 to 1,000 average daily attendance teaching grades nine to twelve,

After July 1 Daly City Record Will Cost More

The Daly City Record, this week, announces that effective, July 1, it will be necessary to raise the paper's subscription price from 25c to 35c per month.

War-time increases in the price of newsprint, ink and metals, as well as general operating expenses, make the new rate necessary.

However, until July 1, both old and new subscribers will be able to pay up in advance, as much as a year, at the old rate and thereby save money. In addition, special premiums are being given free for payment-in-advance at this time. Turn to page 11 of this week's issue for full details.

R. L. Gray Leaves Jeff For Red Cross Position

R. L. Gray, popular instructor at Jefferson Union high school for the past twelve years, is joining the American Red Cross as an assistant field director. In Washington, D. C., for which city he leaves by train tonight, May 20, he will take an 18-day course to fit him for his new duties. Then, he will undergo another two weeks training period somewhere on the West coast. Ultimately he will be stationed at an Army base or camp in one of the eleven Western states.

Gray, science instructor, has taken an active part in student activity programs at Jefferson and has served as advisor to the sergeant-at-arms and entertainment committees. In addition to his busy schedule at the school, he has been serving this community in the civilian defense program.

Gray's family, which resides at 279 Irvington street, will remain in Daly City until after school is out, and then go to Mrs. Gray's home-town, Walla Walla, Washington, to remain for the duration of the war.

Bodien Calls Meet For Rescue Squad

Describing the rescue and demolition squad as the "weakest spoke in the wheel of civilian defense," Arthur J. Bodien, Civilian Defense director for Daly City, has called a meeting of that group for tonight, May 20, at the city hall. At the session, which begins at 8 p. m., a complete reorganization of the group is slated to take place.

There will be no regular meeting of the civilian defense council tonight as the city councilmen and many city department heads are attending the meeting of the Peninsula division, League of California Municipalities, in San Jose.

Next Thursday night, May 27, the defense council will meet as usual and a control board test is planned. Only control room personnel and heads of services will participate in the drill.

the association found. Median or midpoint expenditure per pupil for total current purposes for high school districts in this group was \$177.02.

The district spent an average of \$99.10 per pupil for teachers' salaries, compared with a median of \$105.94 for similar districts. Other current expenditures per pupil in the district averaged \$55.25 with a median of \$56.99 for districts in the same group. Expenditures for auxiliary agencies by the district averaged \$11.62 compared with a median of \$12.52.

Chief Chesney At Conference

Fire Chief Andrew P. Chesney represented Daly City at the conference of Northern California fire chiefs in Merced, Saturday and Sunday, May 15 and 16. He will make his formal report to

CHESNEY

the city council at their regular meeting, Monday night, May 24.

Chief Chesney reported that 246 members attended the conference. Discussion at the session dealt with legislative bills of interest to fire chiefs, fire training, civilian defense, the operation of fire departments in a national emergency, mutual aid to fire districts, and the wages of volunteer firemen.

Three Companies Answer Fire Alarm

Fire broke out in a storeroom at the Acton grocery, 101 Acton street, Thursday morning, May 13, and for a time threatened the entire building. Companies No. 1, 2 and 4 of the Daly City Fire department responded speedily to the alarm and quickly brought the blaze under control. Assistant Fire Chief A. J. Bodien, assisted by Battalion Chief Elmer Kennedy, took charge at the scene of the fire.

In less than an hour the men had efficiently gained control of the situation.

Much property damage resulted to both the building and the storeroom's contents, including groceries, soaps, wines, Clorox, and oranges.

A faulty heater was blamed for the fire's start. Lawrence Martino, owner, was present at the time of the blaze.

This was the first major fire to break out in Daly City for more than four months. According to Bodien the daylight hour of the fire was responsible for preventing even more serious damage as it was one of those situations where minutes count. He highly praised the speed and efficiency of the firemen who responded to the alarm.

Distribute Maps To Senior Wardens

Representing weeks of laborious, detailed work, the sectional maps of Daly City were distributed to senior air raid wardens at their business meeting, Friday night, May 14. Chief Air Raid Warden Harry Melicker and his assistants spent many weeks preparing the maps to give senior wardens of the city a diagram of their respective territories. The maps show the location of wardens' homes, first aid stations, fire alarm boxes, main posts, firehouses, and other pertinent civilian defense information.

Another helpful aid for senior wardens was made available, Friday night, with the issuance of copies of instructions on unexploded bombs—how to detect them and how to deal with them.

Discussion of Daly City's fire watcher problem was held but no solution reached as new recruits are needed to make the service effective. Melicker suggested that senior wardens try to recruit workers to serve as fire watchers in their sectors.

Attendance was very poor at Friday night's meeting and Chief Air Raid Warden Melicker urges a better turnout of senior wardens, day and night, for the May 28 meeting at the city hall, 75 Wellington avenue, at 8.

Answer Call FOR ACTIVE DUTY IN FIGHTING FORCES

Set Goal Of 150 Canes For Daly City To Give

Setting a goal of 150 canes, Arthur J. Bodien, director of Daly City's Civilian Defense council, today appealed to local residents to get behind the drive to supply wounded servicemen at hospitals in this area with canes. He has had the campaign announced in all local public and parochial schools and at the churches.

Less than fifty canes have been turned in to date. Anyone having canes to donate should take them to C. D. headquarters, Room 2, City hall, 75 Wellington avenue.

Bodien wants to turn Daly City's quota over to the hospitals, next week, and urges donors to bring in their canes sometime before Saturday, May 22.

Legion Continues Fats And Greases Campaign

California is collecting less than 50 per cent of its monthly quota of waste kitchen fats and greases, according to the latest figures released by the salvage division of WPB.

Wanting to see Daly City do its share to remedy this situation, Daly City Post No. 410, American Legion, reminded the public today that its drive to salvage kitchen fats was still on. Donations of a pound or more may be made direct to the Legion, which will see that it goes into the manufacture of munitions at once.

Donors are asked to bring their collections to the home of the chairman, August Hansen, 64 Acton street, or phone him at RAndolph 5951.

Local residents planning to save waste fats in this important salvage drive should remember to strain the fats into a clean, wide-mouthed tin can.

Legion Auxiliary Will Sell Poppies

Poppies in tribute to America's battle dead of two wars will be worn in Daly City, May 21 through May 29. Mrs. Ann Welch, president of Daly City Unit No. 410, American Legion auxiliary, announced today.

The poppies this year will honor the men who have given their lives in the present conflict, as well as those who fell among the poppies of France and Belgium 25 years ago, she said. The money contributed for the flowers will be used for the welfare of victims of both wars and their families.

The Daly City unit of the auxiliary is making extensive preparation. (Continued on Page 7)

Farralone Packers Hold League Lead

In the Peninsula Summer Baseball league, the Farralone Packers of Daly City last Sunday tightened their hold on the league lead with a smashing 21-8 win over the Burlingame Merchants in that city.

They piled up a total of 23 hits, led by Petrocchi with three for four, while Burlingame made ten off the Packer battery of Pera and Fenech.

Next Sunday the local aggregation returns to Marchbank park, where they will meet the Belmont Merchants, starting at 2:30 p. m. Manager Charles Norry is expected to use the highly successful Pera-Fenech battery, while the visiting pitcher will probably be either Botto or Wilson. The Packers lead the race with three straight wins, while the Belmonts have won two and lost one, and are in second place.

In the 11 a. m. contest, the Packer Juniors will play against the Hayward American Legion Juniors.

Next Draft Call Slated For May 22

Out of 131 men ordered to report for service with Uncle Sam by Daly City Draft Board No. 103, Saturday, May 15, 49 entered the Army; 32 the Navy; two, the Marine Corps; thirty were rejected; four failed to report, and fourteen were transferred to other boards. This was the first call for May, an unusually large one, according to Mrs. Isabelle Flynn, clerk.

Another call, for only fifteen men, is scheduled for Saturday, May 22.

Daly City and Colma men who answered the call to arms in the May 15 contingent, which also included San Francisco, South San Francisco, Sharp Park and Brisbane draftees and volunteers, were: Pasquale Alasandro, 1036 Brunswick street, Navy; Attilio Joseph Ballati, 244 Citrus avenue, Army; Albert Joseph Ottoboni, Colma, Army; Vernon John Back, 781 Niantic street, Army; Harvey James Melicker, 447 Irvington street, Navy; Warren Francis McHugh, 774 Bellevue avenue, Marine Corps; Angelo Joseph Disperati, Colma, Army; John Kernan Coleman, 150 Crocker avenue, Army; Donald Matthew Bannatyne, 606 San Diego avenue, Army; Richard Alfred Walrod, 156 1-2 Los Olivos avenue, Navy.

Samuel Charles Van Liew, 215 Knowles avenue, Army; Paul Vincent Camenzind, Colma, Army; Raymond Charles Vercauteren, 165 Miriam street, Navy; Robert James Vaughn, 115 Templeton avenue, Navy; Frank Anthony Compani, 236 Los Banos avenue, Marine Corps; John Charles Roberts, 167 Los Banos avenue, Army; Riley Clarence McJimsey, 499 Willets street, Army; Marvin George Flick, Colma, Navy; William Edward Coulthard jr., 878 Templeton avenue, Army; Nathan Pearlman, 104 Los Olivos avenue, Navy.

Charles Benton Munday, 360 San Diego avenue, Army; Stanley Lawrence Sheridan, 254 Woodrow street, Army; Erling Eldrup, 134 Woodrow street, Navy; Walter Donald Lehig, 563 Crocker avenue, Navy; Leo Giusti, 110 School street, Army, and Earl Roy Clark, 334 Woodrow street, Navy.

Grammar Schools Plan Graduation

R. L. Crane jr., district superintendent of schools, will award approximately eighty diplomas to grammar school graduates at exercises to be held, Sunday afternoon, June 20, in Jefferson Union high school auditorium.

Due to war-time conditions the afternoon program has been arranged in order to prevent the children being out in the event of blackouts or air raids. Simplicity will be the keynote of this year's exercises. Music will be furnished. (Continued on Page 7)

Install Signs To Aid Motorists In Dimout

In order to aid motorists to obey the strict dimout rules affecting the Daly City area, Police Chief James G. Reardon has had two illuminated signs installed which more clearly mark the dimout areas.

One sign is located on Mission street, 200 feet south of Market street; the other, at the Junipero Serra underpass. Both are 4 feet by 7 feet in size and are expected to cut down the number of violations in the two portions of the community by a substantial percentage.

The signs are so installed that in the event of a blackout they automatically go off as the street lights do.

High School PTA Receives Corsages

Members and friends who attended the installation ceremonies of Jefferson Union High School P. T. A., Thursday, May 13, were greeted by a committee of high school girls and presented with lovely corsages. The business meeting and installation, with Mrs. Stella Jensen as installing officer, were held in the Little theatre.

At the conclusion of the ceremonies, the group adjourned to the cafeteria where a tea and style show were enjoyed. Presenting styles of interest to all, in a very novel manner, the girls of the home economics department drew much praise from the members of the unit. Their show was under the supervision of Miss Elizabeth Jones, home economics instructor.

During the business meeting, a presentation was made to Mrs. W. J. Lehigh. Mrs. Ida Hanley, new president of the unit, made a lovely acceptance speech, promising to carry on the work of the P. T. A. Mrs. R. L. Crane presented the outgoing president, Mrs. Catherine Foreman, with a beautiful lace tablecloth set from members of the High School P. T. A.

Miss Anita Lehigh, student, and a capable committee, were in charge of preparing and presenting the corsages.

ABOUT TOWN

Last week, the War department made public the names of eighty Northern Californians, most of them Navy personnel, held prisoner by the Japanese and Italians. The locations of the prison camps were not announced but it was supposed most of the prisoners were held in the Philippines.

In the list was the name of a local man, **Raymond Peter Cavallero**, electrician's mate, third class. His parents are Mr. and Mrs. Marco Cavallero, 63 Risel street.

Albert E. Pulley jr., son of Mr. and Mrs. Al Pulley, 98 San Joaquin avenue, is now with the merchant marine as a quartermaster, shipping on the Great Lakes. He is on the steamer, *George R. Fink*, which makes the run between Buffalo and Milwaukee. Pulley, who is 17 years old, attended Jefferson Union high school here and is well-known to customers of Central Creamery, where he worked prior to his sign-up with the merchant marine.

Mrs. P. J. Becker, 824 Templeton avenue, and **Mrs. Marie Pool**, leader and assistant leader, respectively, for Brownie Scouts No. 7, attended a Girl Scout conference meeting in San Francisco, Tuesday, May 11. They participated in the many discussions of girl scout problems which were covered during the session. They will make a report on the conference to other Daly City Brownie and Girl Scout leaders.

Glenn Goode, who entered the Army, last December, has finished his basic training and was recently transferred for specialized study to the Georgia School of Technology in Atlanta, Georgia. He is a graduate of Jefferson Union high school, and the son of Mrs. Zaida Goode, 183 Los Olivos avenue.

Mr. and Mrs. Edward Byrne and Miss Dorothy Byrne, 6241 Mission street, returned, this week, from a visit to Byrne's mother at Delano, Kern county, California. While there, they had a reunion with their son, Howard, who has been staying on his grandmother's ranch since graduating from high school.

Mr. and Mrs. John Eason, Dorothy and Hazel Eason and Patsy Snee, 924 Hanover street, visited Private Jack Eason at Camp Beale, California, Sunday, May 16. It was Mrs. Eason's birthday and her son and some of his friends arranged a special birthday luncheon at camp for her. After lunch, the family went to Feather river for riding and hiking.

Mr. and Mrs. A. W. Robertson, 371 Irvington street, have received word from their son, **Alfred Robertson**, of his having passed a recent test by which he achieved the rating of boat engineer. For three months he has been with a Navy amphibian force as a diesel mechanic, stationed in New Caledonia.

A Romantic Moment On Daly City Screen

A romantic moment from Joan Crawford's latest M-G-M film, "Reunion in France," in which John Wayne, who plays the role of an American R. A. F. flier, and Philip Dorn play opposite her. The locale of the story is Nazi dominated France. The film is now playing at the Daly City theatre.

Jeff Track Squad Winds Up Season

Jefferson Union high school's track squad wound up a successful season under the leadership of Coach Elman Rose, Saturday, winning seven points in the North Coast sectional track meet at Palo Alto. The local school placed tenth among the 25 entered, with the area represented including coast schools from the Oregon state line to King City.

All the points for Jefferson were made by Stone Lantz, Daly City entry in the varsity division. After leading all the way in the high hurdles, he faltered on the last obstacle, and finished in second place. The time for the race was 16:1. Lantz also tied for second place in the high jump, at five feet, ten inches. Al Chelone, only other Jefferson man entered in the meet, failed to place in his events, the 50- and 100-yard dashes.

This week Coach Rose is holding the decathlon events for members of each division in the track squad, with the five highest scorers in each class to receive certificates. The winner in each division will be awarded a gold miniature track shoe.

Among other activities, this week, for the gym classes are a wrestling tournament, which started Monday, and swimming and physical fitness tests.

CYPRESS CIRCLE

Mrs. Janet Fellman and Mrs. Mary Fellman, co-chairmen, issued an invitation to the public, today, to attend the whist party of Cypress Circle No. 14, U. A. O. D., Wednesday evening, May 26. The party will be held at Colombo hall, San Pedro road.

There will be a cash first prize and many other valuable awards, the chairmen said. The game starts at 8:30 p. m.

LADIES HOME CLUB

Members of the Ladies Home club have announced that they are sponsoring a public whist party, Tuesday, May 25, at the Werner Avenue club house. The game will start at 2 p. m.

Mrs. Dennis, Mrs. Fontana and their committee are hard at work completing arrangements for the affair. They announce nice prizes. Refreshments will be served at the conclusion of the card playing.

Four More Groups Help Buy Booktrucks

The list of local organizations contributing funds to purchase booktrucks for servicemen's hospitals was augmented, this week, by Crocker P. T. A., Daly City Unit No. 410, American Legion auxiliary, Hillcrest Circle No. 143, U. A. O. D., and the Ladies Home club. Crocker and the Legion auxiliary both gave enough to purchase two trucks each, while the other two groups contributed the price of one each.

The work of assembling the booktrucks is done by members of the Daly City-Colma Lions club at the home of R. L. Crane jr., secretary. When completed, they are turned over to the Junior Red Cross for distribution to hospitals.

First two local organizations to donate to the project were the Lions club and General Pershing P. T. A.

The name of the organization contributing the truck is placed on the gadget itself where it will be read by wounded servicemen.

Bars For Civilians

For the first time, civilians may earn an official service bar similar to the campaign bars of the armed services, according to a recent announcement of the civilian defense director. Six distinctive bars for service ranging from 500 to 5,000 hours will be given to civilian defense volunteers. All civilian defense volunteers may qualify for the awards—members of the Citizens Defense Corps, the Citizens Service Corps, Forest Fire Fighters Service, and Civilian Evacuation Service.

Girl Scouts Help In "Baubles" Drive

The "Baubles for Buddies to Barter" campaign in Daly City received the enthusiastic support of members of Girl Scout Troop No. 4. Led by Lois Rentsch and June Lemon the collectors made a very handsome showing when they turned in a large box of "junk jewelry" to Reb's collection depot, last week.

R. E. Bennett, sponsor of the drive here, expressed his appreciation to the girls for their patriotic support.

Royal Neighbors Group Holds Regular Meeting

The sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, met at the home of Mrs. Emilie Twesten, 306 1-2 Knowles avenue, Tuesday evening, May 11. The hostess served a delicious luncheon and Dutch whist was enjoyed by the ladies.

Those present were: Mrs. Marie Thompson, Mrs. Cinderella Welles, Mrs. Anna Smith, Mrs. Clarise Scott, Mrs. Agnes Woods, Mrs. Mary Sernack, Mrs. Estelle Peterson, Mrs. Mattie Putman, Mrs. Marie Rucker, Mrs. Johanna Hedvall, Mrs. Gertrude Gehringer, Mrs. Grace Coolish, Mrs. Twesten, and Mrs. Irene Bartel.

Next meeting of the group will be held, Tuesday evening, May 25, at the home of Mrs. Scott, 54 Parkview avenue, who will be assisted by Mrs. Gehringer.

Hold Funeral Services For John D. Elbert

Funeral services for John D. Elbert, 364 Winchester street, were conducted from the W. C. Lasswell and company chapel, Monday, May 17, at 2 p. m. Inurnment followed at Cypress Lawn cemetery.

Fifty-five years of age, Elbert succumbed to a brief illness, May 14, in San Francisco.

He is survived by his widow, Mrs. Myrtle Elbert, and children, Mrs. Gladys Heber, Alberta, Theo and Harry Elbert.

He was a member of the Motion Picture Operators union.

Daly City Offers Drama Of France

As a spoiled, pampered and petted Parisienne society beauty who encounters the brutal realities of the Nazi invasion of France, Joan Crawford delivers one of her best performances in M-G-M's "Reunion in France," now playing at the Daly City theatre.

With Miss Crawford teamed with Philip Dorn and John Wayne, the story presents a romantic love story told against a background of intrigue, suspense and ever-present peril.

The star is first seen as a haughty, carefree girl who laughs away the forebodings of her sweetheart over France. Later she is torn between love and loathing as she finds her fiancé openly cooperating with the hated invaders. She is forced, however, to turn to him when she endeavors to aid a young American, an escaped prisoner of war, to return to England.

Thrills and spectacles are present in the scenes of the flood of refugees leaving Paris, in the ornate receptions of pre-occupation days, and the bitter hatred of the Frenchman for the Germans who through France's beloved Paris while they systematically loot it.

The direction is by young Jules Dassin.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War bonds every pay day. It's your badge of patriotism.

BONDS 'N STAMPS

The following letter was received from the Treasury Department complimenting the Jefferson students for helping out in the Jeep Campaign. The letter reads as follows: Mr. James Ferguson, Superintendent, Jefferson Union High School Dear Mr. Ferguson: I am writing to offer you and

your school the official thanks of the Treasury department in Washington as well as the sincere appreciation of the Northern California War Savings staff, for your efforts in helping to realize Northern California's quota of 378 "Jeeps"—our share of the schools of nation's 10,000. Already our schools have accounted for over 700 "Jeeps" with a number of campaigns still to be closed.

Your "Jeep Certificate" is being mailed under separate cover. Sincerely yours, Mrs. Harold A. Berliner Education Chairman,

War Savings Staff

Jefferson Union high school in 1 1-2 months bought 7 jeeps, at \$900 each. Miss Edna Smith is the very competent teacher in charge. As the result of the efforts of the school the Treasury Flag has been flying from the staff for the past two months. In March 96 per cent of the school bought stamps; in April, 97 per cent bought stamps.

This is the last month in which Jeffersonians can work for the Treasury Flag before vacation. The average has been very good the last two months, and if the few who didn't purchase stamps last month will help out this month, the school will have a fine record with which to end the year.

The A. W. V. S. girls should be complimented for their work in selling the stamps and for the other tasks which they carry out.

This week the Bond and Stamps committee will have something new and interesting to guarantee a high average for purchases in May.

The certificate for the purchase of seven jeeps is now proudly on display on the school bulletin board.

ASSEMBLIES

Last Friday, May 14, Howard Miguel and his Indians of Rhythm put on a pay assembly for the purpose of paying for band capes. The program was thoroughly enjoyed by everyone. Maybe it was because the program was good or because the assembly ran over fifteen minutes late. It must have been the program, especially, the selection "One O'Clock Jump." In this Barbara Gregor played a piano solo, Eugene Grant played a trombone solo, Art Knight beat it out with the drums, and Leo Girdler played a solo on the bass fiddle. They all deserve a hand because it was really good.

And, of course, a novelty had to come in somewhere. Lois Rich, Ralph Capps, Verna Moresco, and

Bob Olson showed the students how to do the schottische.

Tuesday, May 11, in view of the absence of an expected speaker, President Ralph Capps acquired many famous people for the assembly. Among those present were Bill Robinson, Jimmy Durante, F. D. R., Nelson Eddy, Jeannette MacDonald, Frankenstein, and the man on the street car. These were all portrayed by none other than Jefferson's student body president, Ralph Capps. It was the best assembly of the semester.

G. P. A. L.

We d n e s day, May 19, Doris Vernengo, G. P. A. L. publicity manager, Mary Seidel, manager;

Barbara Gregor, and Hazel Hendrickson, attended a G. P. A. L. meeting at Burlingame in which all schools which are members of G. P. A. L. participated. The two counties which are included are San Mateo and Santa Clara.

Two girls passed their beginner's test: Shirley Remmer and Beatrice Seidel.

Last week Club 3, of which Coleen Robin is captain, won the basketball game.

Inter-class basketball is being started now.

You may be unable to get certain sizes or brands of liquors you ask for, today, due to war conditions. Some of the newer brands, of which sufficient reserves had not been built up, are off the market.

Not so with the old, established lines, however, whose makers have established and advertised their qualities for many years. As they have backed their claims to quality by rigid standards, so they have stored large quantities in warehouses during past years.

For known, advertised brands, come to

COUPON BLUES

Coupon blues set in about the last day of each month when someone suddenly wakes up to realize that she hasn't "spent" all her stamps, or that she missed the dates when some of them were due. A commando raid by the kitchen battalion on the makers of coupon dates is indicated.

Why, ask the women, do sugar dates run out one day? Coffee dates another? Blue and red stamps cease to be good if you haven't used them on a certain day? Gas coupons stop operating the red pump 24 hours after the appointed time?

Why not, ask the same belligerent questioners, make all the coupons good for a month at a time, from the first to the last day, rather than overload an already overloaded calendar with dates like the 15th, the 21st, the 22nd? Since we already have a Gregorian calendar, why not suit the coupon calendar to it?

But until such reforms are instituted, the newspapers print your coupon remembrance dates. The multi-unit retailers, as well as the progressive independent merchants, carefully make every change in point value on the canned goods, and post the number of the stamp then valid, and the dates for its acceptance.

Your grocer, at times, grows groggy with the changes he must make. He never dares to be wrong in the information he gives you on the subject, on pain of losing your friendship! So, patiently attack the problem of studying the signs in your grocer's store, and by carefully reading your newspaper.

LAUNCH FIRE PREVENTION DRIVE IN STATE

Offer Opportunity For Everyone To Aid

California's second wartime fire prevention campaign opened, Monday, May 17, and will continue throughout the fire season, according to announcement by regional forester S. B. Show, U. S. Forest Service. Sponsored by all protection agencies in the state, this campaign offers an opportunity for Californians to not only preach and practice fire prevention, but to take an active part this summer in the fire battle by joining the newly created branch of Civilian Defense known as the Forest Fire Fighters Service or Triple-FS.

"In these times of emergency," said Show, "it is vital to the Nation's war effort that our resources of forests, water and farm lands be well guarded against fires started by human carelessness, saboteurs or possible enemy bombing. Wood is now one of the critical war materials, and the same is true of meat, hides, wool and many agricultural crops. Without these products of our forests, ranges, farms and orchards we cannot hope for an early victory.

"The leaders of our armed forces clearly recognize the effect of large forest and brush fires on war activities. The haze of smoke which each year hangs over coastal and mountain areas seriously hinders air and sea patrol and submarine detection, while the glow of fires serve as a beacon for a lurking enemy. Last year the Japs bombed the Oregon forests; this year it may be California's turn.

"The Federal, State and County protection agencies and the lumbermen of California will be faced with a tremendous fire control problem this summer," continued forester Show. "The pool of manpower is very shallow. Many of our trained fire fighters are in the armed forces; available labor supplies have been depleted by war industry and agriculture; even the skid-rows of large cities are empty of idle men. Should the fire season turn out to be a bad one, we shall all be in a tough spot.

"Never before has the need been so urgent for civilian participation in the battle against fire. First, we must set our own house in order by reducing the number of fires started by careless though patriotic Californians. Second, we must build up a reserve of fire fighters and behind-the-line specialists to help the protection agencies in an emergency. These things we can all do as a part of our war effort, and at the same time help redeem our responsibility by taking an active part in the fire prevention campaign and joining the Forest Fire Fighters Service."

Red Cross Motor Corps Seeks Volunteers

An immediate need for Red Cross motor corps drivers was expressed, this week, by Mrs. Richard McLaren, motor corps captain for the San Mateo County chapter, American Red Cross.

Women desiring to enroll in this branch of the Red Cross are asked to call the motor corps desk, volunteer special service headquarters of the San Mateo County Red Cross, El Camino Real and Santa Inez, San Mateo.

Mrs. McLaren pointed out that women who wear the trim grey-blue uniform of the Red Cross motor corps perform a vital war service in the field of transportation and communication. Motor corps volunteer drivers serve every branch of the Red Cross, she explained. Included in chapter motor corps activities are transportation in connection with the blood donor service, the home service department, and the canteen corps.

READING & WRITING

BY Edwin Seaver AND Robin McKown

WHEN Wendell Willkie was in Turkey, on his recent memorable trip around the world, the Axis radio complained of his presence in this neutral country. Mr. Willkie's answer to this was simple. "Invite Hitler," he said, "to send to Turkey, as a representative of Germany, his opposition candidate." Thus, succinctly, he expresses the fundamental difference between our country and the fascist nations.

WENDELL WILLKIE

Mr. Willkie tells about his global junket in a new book, "One World," which was promptly selected by the Council on Books in Wartime as their third "Imperative" book recommended to the nation. In this book, Mr. Willkie gives an engrossing account of his meetings with Stalin, Chiang Kai-shek and other United Nations leaders, as well as with the common people of their countries. He reports that a great awakening is going on among the peoples of the world and expresses his deep conviction that the United Nations must learn to work together now, while they fight, if they hope to live together in peace after the war is over.

One chapter in Mr. Willkie's book deals with his visit to the Siberian Republic of Yakutsk. Besides gold, one of the main products of this country is fur. Muratov, President of the Council of People's Commissars, remarked that squirrel pelts were of no value unless the animals had been shot through the eye. When Mr. Willkie expressed a polite skepticism about this, Muratov stood his ground. All Yakutsk hunters, he said, when mobilized into the Red Army, are so good that they are classified automatically as snipers.

All over China, Willkie received a warm welcome, particularly so in Chungking, where the crowd which greeted him exceeded anything he had experienced even during his presidential campaign. At a dinner in Chungking occurred an episode which he remembered later with delight. One of his party had been ill the day before from Chinese food, so for this evening they were served with good old-fashioned vanilla ice cream. He expressed his pleasure to the Mayor, who explained: "In April, the medical authorities had feared that China would be swept by a cholera epidemic, and since cholera was spread by milk they passed a municipal ordinance making it a criminal offense to serve ice cream. But," he added, "yesterday I decided that ice cream is such a delicacy and we are so pleased that Mr. Willkie came to Chungking. I just repealed the ordinance for one day so we could serve you ice cream tonight."

AT SELMAN FIELD

The public relations office at the U. S. Army Air Force Pre-Flight school, Selman field, Monroe, Louisiana, announces that Aviation Cadet **Harry C. Curusis** has entered the school for navigators there. He is the son of Mr. and Mrs. Gus Curusis, 132 Bruno avenue, Daly City.

Without navigators, bombers would be speeding masses of destruction rushing aimlessly through the sky, according to the school's directors. "The navigator gets 'em there and gets 'em back, through weather, rain, hail, and fog," their announcement said.

Cadet Curusis attended Jefferson grammar school, Jefferson Union high school, and San Mateo junior college. Before joining the armed forces he was employed by Planter's Nut and Chocolate company.

Sea Scouts Take In Nine Members

Sea Scout Ship 144—"The Sea Lion" has accepted a number of new members this month. They are Jack Wallace, Arnold D'Ellia, Bob Dawson, Richard Gamba, Pete Colodi, John Savage, Jack Ferro, Fred Zraggen, and Emil Cruzels. Membership in this group, which is sponsored by the Daly City-Colma Lions club, now totals nearly fifty.

On Saturday, May 8, the annual sea scout swim of the San Francisco council was held at the Jefferson high pool. Gerald Roots took a first place in the 50-yard race and Jim Coughlin took third in the 100-yard race.

Jack Coleman leaves the ship, May 22, reporting for duty with the air corps. Bill Bellando, one of Ship 144's mates, who is in the Navy and has been seeing continuous active duty, will be home for a short leave about June 5.

Recently, the scouters of the Sea Scout Pilots school took a special training cruise. Skipper Frank Coughlin, Chairman Bert Meritt and William J. Sweeney, committeeman, represented Ship 144. A similar cruise took place, Sunday, for the junior officers.

Friday, May 21, the big event of the year for sea scouts takes place when the annual Bridge of Honor and formal ball are held at the San Francisco Yacht club. Admiral Land is flying from Washington to confer quartermaster honors on several sea scouts. Pilot licenses will be awarded during the evening. Ladies will receive corsages at the door.

Work on painting the land ship building, 6266 Mission street, can now begin, due to the donation of some paint by Lions club member, Dr. William J. Lantheaume.

WINS HONORS

Jim Coughlin, one of the Ship 144 sea scouts, has made an unusually fine showing in track at the University of San Francisco. During the triangular meet of San Francisco State, University of San Francisco, and College of the Pacific, Wednesday, May 5, Coughlin won three races in one afternoon, the half mile, the mile, and 2-mile.

Whist Tomorrow Will Benefit Colma Canteen

Arrangements are complete for the big benefit whist to be given tomorrow afternoon, May 21, at Colma Community center, Dunks street. The party's proceeds will be used to meet expenses of the Colma Red Cross Disaster Canteen work, the committee, headed by Mrs. Jeanette Fellman, stated. Mrs. Grace MacDonald will be in charge of refreshments, which will be served free to all players. The game begins at 2 p. m. and the public is cordially invited to attend.

"Come and have a good time and help this worthy cause at the same time," the chairman said. A nice selection of prizes is assured.

Mr. and Mrs. Danny Casentini

The happy young couple shown above, Mr. and Mrs. Danny Casentini, were married in a double ring ceremony, May 2 in Santa Barbara, where Casentini is stationed with the U. S. Army as a private first class. The bride is the former Miss Mary Frances Codero, of Santa Barbara. Casentini has a wide circle of friends and relatives in the Daly City area.

RATION DATES AND YOU

Here is a list of those ration dates, which make calendar-watchers of all local housewives, motorists, or, in fact, anyone who wishes to eat, drive his car, or buy an occasional pair of shoes.

May 21—last day to use No. 5 A coupon for 4 gallons of gasoline.

May 23—Red stamp J in War Book Two becomes valid, good through May 31.

May 30—last day to use Stamp 23 in Book One for purchase of 1 pound of coffee.

May 31—deadline for tire inspection, C book holders; there must be 45 days between inspections.

May 31—Stamp 12 in Book One good for 5 pounds of sugar through this date.

May 31—Red Stamps F, G, H, and J expire.

May 31—expiration date for blue stamps G, H and J, for purchase of processed foods.

June 1—sugar stamp 13 in War Ration Book One becomes valid and is good for 5 pounds of sugar through August 15.

June 15—last day to use Coupon 17 in Book One for a pair of shoes.

June 30—deadline for tire check-up, B book holders.

August 15—stamp 13 in Book One good for 5 pounds of sugar, expires.

Grace Presbyterian Announce Speaker

Reverend William Miles, Grace Presbyterian church, Hanover and Evergreen, announces a guest speaker for Sunday, May 23, at the morning service, 11 a. m.

The speaker will be Reverend Ralph O. Reiner, missionary to Korea since 1908. Reiner was stationed in Pyongyang, Korea, where several hospitals and schools of the Presbyterian group are located.

Reiner once headed the foreign school and in this capacity had the unpleasant task of closing the schools and seminaries and disbanding 396 native workers after the Japanese government seized control of the Korean church.

He was arrested and critically mauled in a Japanese prison. Rescue came when he was allowed to return to the United States on the Gripsholm, last August. Having recovered his health, Reiner is now teaching for the duration in San Francisco.

Sunday school for all age groups is conducted at Grace Presbyterian, starting at 9:45 a. m. The public is invited to both Sunday school and worship programs.

Corporal Cosbie Marries S. F. Girl

Culminating a life long friendship was the marriage of Miss Marjorie Alice Dormody to Corporal Jonathan Handy Cosbie jr., April 23, at the First Baptist church in Grenada, Mississippi, where the benedict is now stationed.

The bride, the daughter of Mrs. Alice Dormody, San Francisco, was attired in the traditional ivory satin, with a heart-shaped neckline, fitted bodice, full skirt and train. A coronet of orange blossoms held her tulle veil in place and she carried a prayer book with a spray of pale yellow roses and bavardia.

Clarence Sutherland, Marysville, was best man.

The bridegroom is the son of Mr. and Mrs. J. H. Cosbie, 510 Bellevue avenue. He attended the local grammar school and graduated from Jefferson high school in January, 1939.

The young couple are honeymooning in the South.

SPRING FOOTBALL

The call for football material for the two-weeks spring training period, to start next Monday at Jefferson Union high school, resulted in 64 students signing up, this week, according to Coach Glenn South.

Tentative plans for closing the session include a game between football players of the graduating class and the potential members of next year's varsity, June 4.

Raymond Welsh Jr.

Raymond Welsh jr., son of Mr. and Mrs. Raymond Welsh, 553 Hanover street, is now a corporal in the U. S. Army. He is stationed at March field, California, with the aviation battalion of the Army Engineers.

May 21 Whist Will Benefit OLPH

The whist-playing public is reminded that the May whist for the benefit of Our Lady of Perpetual Help church will be held, tomorrow night, May 21, at Masonic hall. Playing will begin at 8:30 p. m. and there will be many attractive awards, including a cash first prize, according to the committee.

In charge are ladies whose surnames begin with K and L. They assure everyone of a pleasant evening.

Old Time Eating is NOT RATIONED

Even though inch-thick steaks and chunky roasts of choice cuts are going where they are needed most, the Yanks on the Home Front won't go starving.

No sir, not by a tummyful.

Yankee housewives know what to do with meat scraps, an onion or two, a few carrots, turnips, potatoes and dashes of proper seasoning.

Victory Gardens will provide the rations from the field. Mr. Mulligan's stew will be patriotically popular along with nutritionally good boiled dinners and the savory kettle of home made soup.

And besides—the best can opener today is a depth bomb that rips open an Axis submarine.

VEGETABLE SOUP (Minestrone)

Serves 8. Time 4½ Hours.

2 lbs. shank of beef with bone
3½ quarts cold water
3 tbsp. salt
1 cup dried white or red kidney beans
2 tbsp. olive oil
1/2 cup minced onion
1/2 cup minced parsley
1 cup fresh string beans
3/4 cup diced celery
1/2 cup shelled peas
2 cups finely shredded cabbage
1 cup dried carrots
1 cup canned tomatoes, or 2 tbsp. tomato paste
1/2 cup spaghetti, broken up fine
Grated parmesan cheese

Place shank in a well cooker or large kettle. Add water, 2 tbsp. salt and the beans. Cover and bring to a boil. Skim. Recover and simmer four (4) hours.

Heat oil in skillet; brown the garlic cloves in it. Remove the garlic, then saute onion and parsley in the oil until onion is tender, but not brown. Remove bones from stock. Cut meat in small pieces. Then add remaining salt, onion, parsley, and all other ingredients excepting spaghetti and cheese. Cover and cook for 20 minutes. Add spaghetti and cook 10 minutes longer. Serve. Sprinkle cheese on top.

NUTRITIVE MEALS THAT TAKE LITTLE MEAT

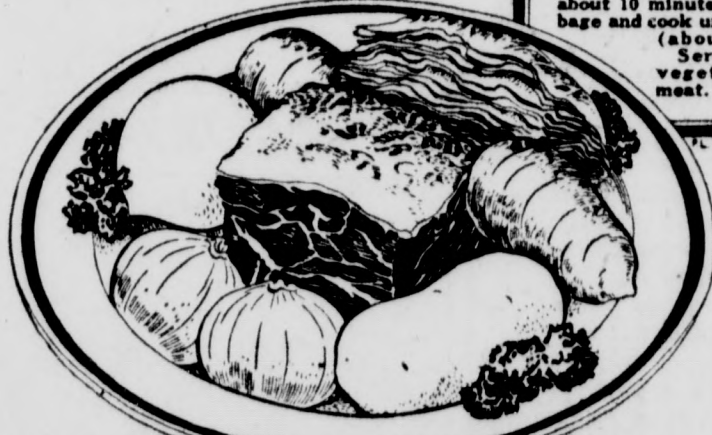

NEW ENGLAND BOILED DINNER

3½ to 4 Hours. 6 Servings.

3 lbs. Corned Beef 2 onions
1 tsp. dry mustard
2 tbsp. brown sugar
Few grains cayenne
6 medium potatoes, pared
6 medium carrots, scraped
3 turnips, pared
1 medium cabbage, cut and cored

Wipe off Corned Beef, cover with cold water, and bring to boil. Boil for five minutes. Remove scum, add mustard, brown sugar, cayenne and onions and simmer until tender, about three hours. About ½ hour before serving prepare vegetables as follows:

In another large pan, place 1 cup of boiling stock from Corned Beef; in this pan, arrange potatoes on the bottom, then carrots, then turnips. Bring rapidly to boil then turn to simmer for about 10 minutes. Then add cabbage and cook until all are tender (about 20 minutes). Serve. Arrange vegetables around meat.

RUNAWAY CAR

When Charles Brown, San Mateo, parked his Studebaker sedan on Bepler street, Monday afternoon, he apparently failed to set the brakes. Result was that the car ran down Bepler, shortly after the owner had left the car,

and crashed into a pole in front of the Bank of America. Only property damage resulted.

Sergeant Ricco Benedetti ordered the car taken to Daly City garage and charged the driver with leaving the vehicle unattended.

New Schedule

Market Street Railway's No. 26 cars reappeared on San Jose avenue in Daly City, this week, after many long months. By order of the Office of Defense Transporta-

tion the company has changed the outer terminal of the No. 26 bus line to San Jose and Ocean avenues.

On week days, including Saturdays, the No. 26 streetcars are being operated from Daly City over San Jose avenue to Ocean avenue,

thence over Ocean and Onondaga avenues to Onondaga and Mission with transfer privileges at Ocean and San Jose and Onondaga and Mission. These cars are operating from 5:30 a. m. to 6 p. m. The new arrangement was started Monday, May 17.

Victory canning
is food insurance

Though conserving on canned goods alters our food buying somewhat, it's no time to slight the nutritional standards of our menus. That's why canning foods at home is becoming a major kitchen industry. Foresightedness now means better nutrition, better menus, and more food enjoyment later on.

If you're a first-timer, and there will be many this year, there's no reason to be overwhelmed at the prospect of home canning. Just remember that there are rules to be followed, and if these rules are adhered to carefully, then there should be no difficulty.

GET THE LATEST INFORMATION —

Old hands at canning as well as beginners should look to the newest information and material on canning for their rules. Grandmother's methods were all right for her day, but new discoveries about vitamins, minerals, and other nutritional facts have outmoded information of even a few seasons back. So, just as you wouldn't follow an outmoded pattern for making a dress, neither should you follow outdated directions for home canning.

CLEANLINESS AND STERILIZATION

One of the first and most important rules in home canning is cleanliness and sterilization. It is not too much to say that you should be almost fanatical on this point if you don't want to lose foods through spoilage. That's why we recommend that canning be done in small lots rather than all at once.

Sterilization includes the equipment, jars, lids, and the food itself. The bacteria and yeasts which ruin foods must be destroyed in the canning and processing if the food is to keep and be safe to eat.

Non-acid vegetables, (which means all vegetables except tomatoes and peppers) fish, poultry, and meats (all of which are non-acid foods) HAVE to be heated to a temperature of 240°F. to 250°F.—far above the boiling point (212°F.)—in order to destroy the organisms which cause botulism (food poisoning) and other types of spoilage. That is why it is imperative that a pressure cooker be used for the sterilization of these foods. However, it is not necessary to have a pressure cooker in order to can fruits, tomatoes, and peppers.

WHEN TO CAN — Can foods when they are in full season. It is more economical then. And can them at their peak of freshness, too, to capture all their vitamins and minerals.

Every day buy one more vegetable fresh

The Government is asking every housewife to help make existing canned foods last longer. They urge you to buy more of your daily vegetables fresh and less foods that are in cans.

ABOUT SCHOOL

George Fair won the batting honors for the entire league season with a .350 average. George came through in the clutch in many games with base hits that accounted for a number of runs. For his excellent hitting and determination to play good ball his name will be engraved on a gold trophy.

SUMMER WORK

The canneries of California are faced with a serious labor shortage. They are anxious to have as many high school students as possible work full or part time, during their summer vacations in near-by canneries, to supply needed food for our armed forces and for our people at home.

This information was received by Principal James Ferguson from a local cannery.

All those interested are asked to file with the office for a work permit.

rations for the observance of Poppy Day here, under the leadership of Mrs. Welch and Mrs. Margaret Kenny, unit poppy chairman. The little red flowers of remembrance will be available to everyone in the city, offered by volunteer workers from the auxiliary who will be on the streets throughout the period.

The flowers, made of crepe paper in replica of the wild Flanders poppy, have been ordered from Yountville where disabled veterans manufactured them under the direction of the California Department of the auxiliary.

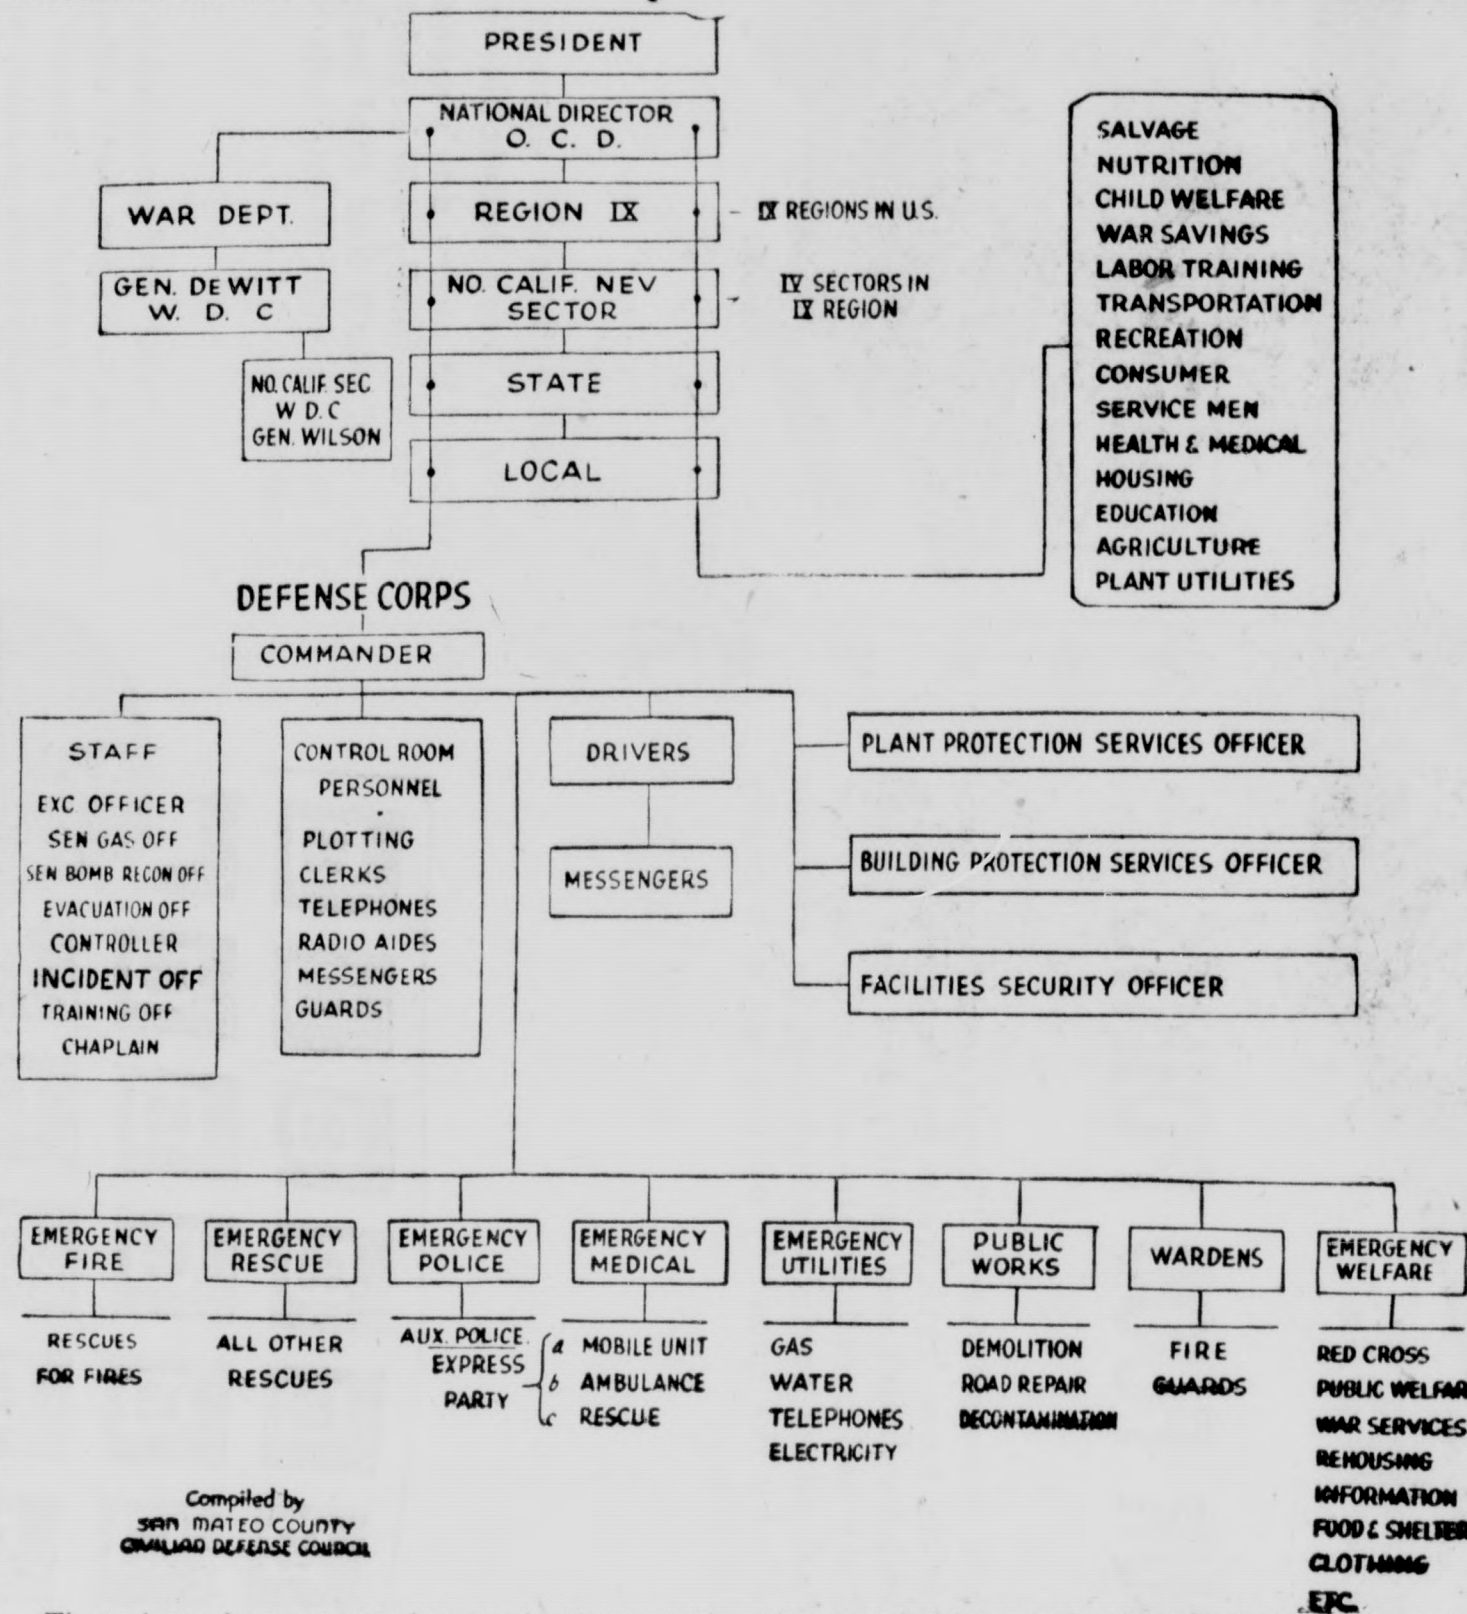

More Americans than ever before are expected to wear poppies this year as a personal tribute to those who have been killed, and to aid the disabled, their families and the families of the dead.

COUNTY DEFENSE COUNCIL PRESENTS CHART CIVILIAN DEFENSE ORGANIZATION

PROTECTIVE SERVICES

WAR SERVICES

There have been many changes in the organization of Civilian Defense since its inception. As new problems arose in the organization variations had to be made and it has been such a long time since a definitive organization chart has been set up that the San Mateo County Defense Council felt that people would not only be interested in viewing a final set up but would also be able to see and learn exactly what the various duties were and wherein the different services are correlated.

The San Mateo County Defense Council has

developed this organization chart which is a complete picture of the entire Civilian Defense organization from the President of the United States down to the warden service.

It is very interesting to know that the War department is so closely connected with Civilian Defense and the liaison between the two shows the close connection between the two services.

It is hoped that by studying this chart you will be able to find some place in Civilian Defense where your services can be used if you are not now a member.

Posthumously Award Medal To Lieut. McCune

Formal notification that their son, Second Lieutenant Robert N. McCune, had died in action while on a mission over Nazi occupied Europe, was received, last week by Mr. and Mrs. Earl McCune, 82 Peoria street. The tragic news had

been known by the family for some weeks.

Adjutant General J. A. Ulio informed the McCunes that by direction of the President the Air Medal has been posthumously awarded to their son, for meritorious achievement.

The Purple Heart had previously been awarded to Lieutenant Mc-

Cune, who was killed, February 4, when his bomber was shot down during a raid on the St. Nazaire submarine base.

In reference to the medal, which will be formally presented to her in the future, Mrs. McCune said:

"No medal is needed to make of my son a greater hero than he has been in my thoughts since the Government informed me in February that he had given his life for his country. But it makes me very proud, to know that the Government so honors him for what he did."

Reardon Pledges Aid Against Rabies

Police Chief James G. Reardon, this week, pledged his full cooperation, and that of his department, to enforcing the rabies quarantine, established throughout San Mateo county by the department of public health and welfare.

Reardon pointed out that there has been an increase in the number of animal rabies cases reported throughout the state and in the counties adjacent to San Mateo county. He reiterated that dog and cat owners must keep their pets in strict confinement upon their own premises and pets can be taken off the premises only if kept under restraint on a leash not over 5 feet in length in charge of a responsible person.

"Any person or company violating the provisions of this order will be prosecuted according to law," Reardon said.

You May Have A Subluxation

By Dr. John C. Hunt
San Francisco, California.

Very few people are familiar with a spinal subluxation, but according to Dr. B. J. Palmer it is impossible to get sick without first having a spinal subluxation.

Doctor Hunt has

Dr. Hunt

reds of Spinographs (X-Rays) WHICH HE HAS TAKEN, showing the location of nerve pressure in the spine. These X-Rays are stereos showing the third dimension and show clearly what is necessary to be done to make a correction. Where there is arthritis it can be easily seen and what is necessary for a correction.

There is proof day after day in Dr. Hunt's Chiropractic office, after X-Rays are taken, that in nearly every case of illness there was an injury at birth or some accident later in life which in a few days to a few years later was the cause of Chronic headaches, backaches, poor vision, deafness, paralysis, arthritis or some form of ill health.

This is one of the reasons why Chiropractic results are called miracles in so many cases as, for example, when hearing is restored after years of deafness, also when cases of paralysis recover at once because the trained Chiropractor released the nerve pressure with the proper adjustment, and health was the normal result. Post X-Rays prove correction was made.

Phone Dr. Hunt, ORdway 6351 for an appointment for consultation; there is no cost or obligation for this service. It will be rendered gladly and it will be worth your investigation.

"Life With Father" Now Playing At Geary Theatre

With the distinguished Percy Waram and the charming June Walker heading a brilliant cast, "Life With Father" is now playing a limited engagement at the Geary theatre. The hilarious comedy is for the third time on a transcontinental tour and has been stirring audiences to laughter since the fall of 1939. There is only one matinee, Saturday, beginning at 2:30 p. m., but the evening performances include Sundays.

Percy Waram's acting of the richly amusing role of the Father of a family in an American home of yesteryear is universally recognized as one of the greatest stage creations of recent years. June Walker's warmly feminine interpretation of the comic Vinnie, the wife and mother who turns every rage of Father into merely wasted exercise of his lungs, has been welcomed as a novelty of this production. Father, Mother and the four red-headed sons are, of course, actually the now famous Day family as faithfully delineated in the comic books of the eldest son, Clarence Day jr.

The play, drawn by Howard Lindsay, and Russell Crouse from the biographical sketches of the humorist, has been hailed everywhere in this country as the most laugh-provoking comedy of family life in the current theatre. The much praised direction of the play brought new laurels to Bretnage Windust and the costumes a new setting of the horse-car era in New York, by Stewart Chaney have been voted as a goodly contribution to the hilarious spirit of the play.

NOTICE OF TRUSTEE'S SALE OF REAL PROP- ERTY AT PUBLIC AUCTION

On Friday, the 28th day of May, 1943, at the hour of 10:30 o'clock A. M. of said day, at the front entrance of 75 Wellington Street, Daly City, California, ALVIN L. DOVE, as the present trustee, will sell at public auction, to the highest bidder, for cash, in lawful money of the United States, without warranty, express or implied, the following described real property, situate in the City of Daly City, County of San Mateo, State of California, particularly described as follows:

Lot Numbered Fifteen (15) in Block Numbered Fourteen (14), as shown on that certain map entitled "Map No. 1 Vista Grande, San Mateo Co. Calif.", filed in the office of the County Recorder of San Mateo County, November 5, 1906, in Book "C" of Original Maps, at Page 35, and copied into Book 4 of Maps, at Page 41 thereof.

Said sale will be made to satisfy the obligation secured by and pursuant to the power of sale conferred in a certain deed of trust executed by William F. Bernell and Gertrude Bernell, his wife, trustees, to E. L. Tremaine, as Trustee, for the benefit and security of V. Tremaine, as beneficiary, dated January 1, 1929, and recorded January 7, 1929, in the office of the County Recorder of the County of San Mateo, State of California, in Volume 391 of Official Records, at Page 130.

On December 1, 1933, by mesne assignments, KATE EASOM, an unmarried woman, was assigned all right, title and interest of the said beneficiary, which Assignment was recorded in the office of the County Recorder of the County of San Mateo, State of California, on January 16, 1934, in Volume 604 of Official Records, at Page 483.

Notice of breach of said obligation and election to sell said real property was recorded in the office of said County Recorder of the County of San Mateo, State of California, January 17, 1942, in Volume 987 of Official Records, at Page 411.

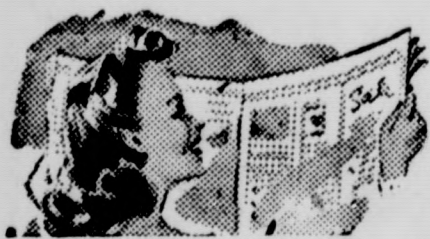

This notice is given in compliance with the demand heretofore made on the trustee by the beneficiary.

Dated: May 1, 1943.

TIME FOR QUICK STRAWBERRY SHORTCAKES

• Flaky, rich biscuits, split while piping hot, put together and piled high with juicy strawberries and whipped cream—there's strawberry shortcake that is strawberry shortcake! Something to make the whole family vote Mom the most wonderful cook ever!

Easy does it

You make this old-timey dessert in new-time, jig-time, with this wonderful recipe for Quick Strawberry Shortcakes. Your biscuit dough is dropped from a spoon, and your biscuits bake to a golden, peaked-top brownness. Biscuits are wonderfully light and tender, made the Spry way, with this creamy all-vegetable shortening.

Want extra fragrant strawberry flavor? Try honey for sweetening the berries. And for extra, melt-in-your-mouth shortcakes, light and flaky, try this tried and true recipe. It's yours for the clipping, so better clip now.

Quick Strawberry Shortcakes

2 cups sifted flour
3 teaspoons baking powder
1/2 teaspoon salt
2 tablespoons sugar (optional)
1/2 cup Spry
1/2 cup milk (about)
1 quart fresh strawberries, hulled and quartered
1/4 cup sugar or 2 tablespoons honey
1/2 cup heavy cream, whipped
2 tablespoons sugar
or 1 tablespoon honey

Sift flour, baking powder, salt, and sugar. Cut in Spry until mixture is as fine as meal. Add milk, mixing until a soft dough is formed. Drop from tablespoon on baking sheet.

Bake in very hot oven (450° F.) 12 to 15 minutes. Split biscuits and put together with strawberries sweetened to taste. Top with whipped cream, sweetened as desired. Garnish with whole strawberries. Serves 8.

Crocker P. T. A. Sew And Sew Club To Meet

Members of Crocker P. T. A. Sew and Sew club will meet, Tuesday, May 25, at the home of Mrs. Orvilla D. Pauw, 859 Hanover street. The meeting will begin at 11 a. m. and marks the opening of a busy season of work preparing for the annual bazaar to be held in December.

After luncheon, the newly installed officers of Crocker unit will hold an executive board meeting to ratify the chairmen for the unit's 1943-44 term. President Pro Tem Mrs. Mildred Seiler will submit the list of names.

As there is yet no actual president of the unit, Mrs. Seiler has worked out a plan whereby the various past presidents of Crocker will each take over the presidential duties for a month at a time. The list of these officers will also be presented, May 25, by Mrs. Seiler. Under discussion will be a schedule of events for the coming year.

NEW BABIES

Mr. and Mrs. Louis J. Bisio, Daly City, are the proud parents of a daughter born, May 5, in San Francisco.

A son was born to the wife of John Andrews, 498 Bellevue avenue, Daly City, May 11, at Mills hospital in San Mateo.

AT DISTRICT GRAMMAR SCHOOLS

AT JEFFERSON

"Inside the White House" was a sound film recently shown to eighth grade pupils of Jefferson in connection with their study of United States government. The many offices throughout the White House were indicative of the manifold duties of the President; news correspondents were shown gathering in the press conference room and not the least of the high-lights of the picture was the splendor of the numerous rooms used on State occasions.

MOTHER'S DAY PROGRAM

A Mother's Day program was held in the seventh and eighth grades. Among the interesting points brought out was the fact that Mother's Day had its beginning after the close of the Civil War but was not legally declared a holiday until 1914. Special Mother's Day articles were posted on classroom bulletin boards and individual students gave talks.

PIONEER LIFE

The fifth grade unit on Pioneer Life is drawing to a close. Among the features of its finale of great interest to the class is their program during which they will show their own lantern slides. The unit is divided into sections dealing with the food, homes, clothing,

work, education and amusements of the early pioneers. The lantern slides, many of which are free-hand drawings, picture these phases of pioneer life. Other slides are reproduced from pictures in student texts. Oral reports accompany the lantern slides as a review of the unit.

NEWCOMERS

Recent newcomers to Jefferson have come from long distances, with the exception of George Jimenez who transferred from San Francisco. George is in the low fifth grade. Ralph Smyer, also a fifth grader, previously lived in Hawaii. James Gilbert, eighth grade, came all the way from New Hampshire, while Ruth and Dolores Dunham, fourth and first grades, respectively, moved here from Boston.

AT WOODROW

Woodrow Wilson was victorious, 11 to 2, over Crocker in a recent handball game.

La Verne Torkelsen, Room 5, enjoyed an interesting trip to Hamilton field, last Friday.

Room 12 took an imaginary voyage up the Hudson river, by means of a film dealing with the different types of boats and their uses.

Woodrow's winner in the tin drive was Colene Johnson, who brought in 3,220 pounds. The prize was a trip to Moffet field.

Hazel King, Robert Thompson and Gordon Cady were chosen from Room 4 as part of a group that was taken to Hamilton field in connection with Red Cross activities.

Room 12 pupils have been learning about sea animals, in their unit on the sea. Joan Leepin brought a starfish to class. The youngsters wrote a story about the starfish.

Sixth grade has begun the study of communication and plans to

make booklets. The group will also work on their map booklets once a week until the end of the term.

AT CROCKER

James Fillipo, Room 4, Crocker's winner in the recent tin drive, did remarkably well in having brought to school 107 cubic feet of tin.

As a reward he and the winner from Jefferson were taken to Moffet field by station wagon by a Red Cross nurse. A pleasant morning was spent visiting Red Cross headquarters and the hospital there.

Peggy Chamberlain, Room 4, spent Sunday at Rockaway beach with her parents.

James Maldy picknicked at Half Moon Bay.

Tom Davidson, Room 6, went fishing at the Municipal pier in San Francisco, on a recent Sunday. He succeeded in catching eleven perch.

Edward Warner and David King went ice-skating at Sutro's, last Sunday, while Alfred Salogga spent the same day getting a good sun-tan at Thornton beach.

Last Thursday, the pupils of Room 2 enjoyed a program on the Standard school, entitled "Descriptive Music and Art."

PERSONALS

Patsy Snee recently visited her cousin, Jack Eason, at Camp Beale, Marysville, California.

Mary Alice Gosney went to KQW to see the "Song Quiz," last Sunday.

Two pupils have returned to school after being ill. They are Betty Breston and Eddie Milano. Fellow classmates greeted their return with enthusiasm.
